I am so very sorry to hear of Franks passing. It has been many many years since we were in contact with each other. Since we were young boys growing up in the old neighborhood playing tackle football on paved streets. Man we caught hell for all the ripped knees in our jeans and our road rash burns. I have thought of those days many times as I have aged. Life was so much simpler then. We used to leave our homes in the morning and not come back till dinner time. I hope his death was painless and that I will meet him in the great beyond someday. Rest In Peace old friend.
