“ MaryBeth and I grew up across the street from each other and shared a wonderful friendship that spanned 50 plus years. We attended grade school through high school together and the memories we made along the way could fill a book. To know her was to love her. Always positive, her smile and laugh were contagious. I'm so grateful to have been able to visit her recently where we took a walk down memory lane and expressed our appreciation of this life-long friendship. She had a beautiful marriage with Tom and together they raised a warm, caring, son-Brandon. I will miss you dearly my friend, but I will never forget you.

“ MaryBeth was one of the sweetest kindest people i have ever known. My memories with her include an evening out with the girls, seeing her son Brandon sing when he was with the children's choir, a loving mom, wife and friend to so many. We sure all loved and miss you our friend!

“ I met MaryBeth working at Barnabys and we became instant friends. Our paths crossed again when Brandon was just a young boy and a few times after that. We reconnected via Facebook and messaged each other often. She was so proud of Brandon and I enjoyed seeing all the children's Choir pictures and videos. I am so sorry for your loss. Brandon you had the best mom! I hope you are comforted knowing she is with your Dad I had the pleasure of meeting him also and such a happy loving couple.

“ MaryBeth was the little girl next door when we lived on 3rd Street. All of the kids on 3rd Street played together all of the time. So, all of our kids got to know MaryBeth very well and spent a lot of time playing together. Mrs. Nitkowski was "Betty next door", and she and I spent hours talking over the back fence. We really missed the Nitkowskis when we moved away. But, we always kept in touch. We will all really miss MaryBeth. Brandon -you have been a wonderful son, and I know MaryBeth was so happy to have you in her life. Keep in touch. We are all thinking of you.

“ MaryBeth and I met in 1968 as 1st graders at Whittier Elementary School. I knew immediately I had a lifelong friend. I smile when I think of the many delightful times MaryBeth and I shared - from birthday party hot dogs (long story :-)) to laughing about life, love, and our parents! MaryBeth simply loved people, loved life, and loved you, Brandon, so very much! I remember when MaryBeth became your mom! She did not want to miss one moment of your childhood. She was ALWAYS PROUD OF YOU! I'm smiling and crying now as I think of the many times MaryBeth and I would bump into each other in a parking lot or store and talk for HOURS. Oh, I will miss you, my dear gentle friend. ...and as we said when we spoke a few weeks ago - We will talk again! Love you, sister!

“ Will remember her smile and sense of humor. Brandon went to Whittier with our son and spent many hours at our house between actives. She was so proud of the person you have become Brandon, caring, loving, and supportive. God bless you and your family as you go through this difficult time.

“ MaryBeth and I were in Spanish class together in High School. She was so funny and her smile lit up the room. She was always so welcoming to new people. Later in life our paths crossed again as Brandon started school and was in first communion class with my niece. Never a time that we met, whether at a school function or the store, we always had something to reminisce about and have another good laugh. You will be missed MaryBeth. Until we meet again.
