

## Ronald E. Ahlensdorf Jr.

August 14, 2020

August 14, 2020 at the age of 51 years. Loving father of Dalton. Dear son of Ronald E. (Sue) Ahlensdorf, Sr. and Christine Kautenburg. Beloved grandson of Rosemary Schwamb. Dear brother of Kelly (Michael) Kolodzinski and Katie (Ethan) Fink. Also survived by niece Brittany Kolodzinski, nephew Clayton Kolodzinski, girlfriend Melissa M. Rodriguez, aunts, uncles, cousins, other relatives and friends. Preceded in death by his grandparents: Evelyn Robinson (Great-Grandmother), Edward "Sonny" and Betty Ahlensdorf and Harold "Bud" Schwamb; and step-father, Gary Kautenburg.

Those who knew Ron knew of his zest for life, his commitment to health and wellness and his desire to challenge the norm. Ron was a great lover of music. It was common to hear Ron singing and swinging his hips when a great song came on the radio. Ron often preferred to be the DJ at a family gathering – big or small. Ron loved nature, walks, bike riding and skateboarding. His hearty laugh was heard by many and should be remembered by all for years to come. Ron adored his son Dalton, and always celebrated what a wonderful little man Dalton is and will continue to become. He lit up with pride when he shared stories about Dalton. Ron was the President of Summit Valuation Solutions and took great pride in his work and everything he did in life.

In lieu of flowers, memorials to National Alliance of Mental Illness of Greater Milwaukee ([namigrm.org](http://namigrm.org)) would be appreciated.

“ I met Ron back in Feb 2014 when we started doing business together. We hit it off immediately. We worked closely together ever since through the Spring of 2020. I considered him a good friend and was always struck by what an honorable and genuinely kind and generous man he was. He and I shared an interest in improving health through nutrition which we were both passionate about. Over the years, he was one of the most kind and honest men I've ever had the good fortune to work with and to call him a friend. I'm so saddened that the world has lost such a great man and I sincerely want to share my condolences to his family.

“ Ron; so many memories of so many meals in so many cities, including the next one, even with our vastly different eating habits! Was great working with and around you all these years. You were a pro at your profession. It's not often one gets to watch someone evolve over time like you did. I will miss our industry and customer discussions, especially the mutual assistance. Thanks for maintaining the "the phone book". I've got it now. Peace.

“ Ron, we have known each other probably since the day I was born. We shared so many childhood memories together with our families. Even though as we got older our paths took different turns, I never forgot all of happiness, fun, smiles and laughs that we shared growing up. I can still see your bright smile, you dancing around the kitchen in your Zubaz pants, the ketchup on your Macaroni and Cheese, and hear your infectious laugh!! You always have and always will have a special place in my heart.

I hope you are at Peace my friend.

Sending smiles and hugs to Heaven, until we meet again.

Childhood memories

Fill my mind

When life was full

Of simpler times

Riding bikes

Hide and Seek

Catching Crayfish

In the Culvert by your street

Mac n Cheese

Banana cake

Don't forget

Rice Krispie Treats

Laughter and happiness

Filled the air

Of childhood friends

Without a care

Time went quick

As older we grew

Our Friendships turned

To a different crew

Years passed by

And we lost touch

But in my heart

You still meant so much

The news of your passing

Broke my heart

I wish we could go back

Somehow to the start

Now memories flow

As hard as my tears

Wondering what happened

To all those years

Children Playing  
Having the time of our life  
With nothing wrong  
And everything right

Now I'm Praying  
God Rest your Soul  
Give you Peace  
And make you Whole

My love and deepest condolences go out to all of Ron's family and friends. May the memories you have of him help to bring you comfort.

“ I remember when Ron started with the company I was with, I thought "Wow, this guy has so much ambition and wants to make changes". He did, and I admired this about him. We struck up a friendship soon after, I always loved speaking with him. Ron left the company, and we still spoke often, and met at Starbucks. I always loved our conversations, deep and inspiring. I loved his huge smile and his awesome laugh. To the family, I pray that you find peace and know that Ron is with you forever. God Bless

“ Ron, Thank you for believing in me and hiring me at my former employer; I learned something new on so many subjects each and every time we spoke. I loved seeing you at conferences and spending time with you at a meal. You were always such a dear friend to me; I miss you. I will most certainly miss calling you on our very special day of the year....our shared birthday. Dalton, if you ever read this...please know I loved your Dad. He always wanted to take you to Mount Desert Island/Acadia National Park/Bar Harbor, Maine. We talked about it so many times because I live in NH and my husband and now I go every year. It is truly a special place. I encourage you, when you are older and wiser, find someone very special to make that trip with and live it, as you would have with your Pop. Much Love and Rest in Peace dear Ron. Doring

“ Ron you left us way too soon, however, I pray that you have finally found your peace. Where do I start with the memories. I mean after 51 years, there have been so many. I remember our many sleep-overs; playing with our cars and trucks in my basement; riding our bikes from Oak Creek and South Milwaukee to hang out together; playing baseball together; playing hoops and me getting beat every time because I sucked at layups; getting our first cars and waxing all the rust spots as if it would somehow magically stop the rust from spreading. Man I think we had the cleanest cars around. Oh, I can't forget the many times we would karaoke to David Allan Coe "You Never Even Called Me by My Name." Those are some of my favorite moments and memories I will hold on to forever. I would give anything to sing that song again with you. Know that I always looked up to you and was so very proud of your achievements in life. Love you man!

“ Rest In Peace Ron. We met because our parents were friends and before you knew it we were sharing many “firsts” in life together. Though our paths went in different directions, the memories we made I have never forgotten. Talking with you in December was just like old times and it felt really good. I pray you now have peace.
