I was saddened to learn that Sergio has passed away when I came to get a take-out order this past Wednesday. I --did not know. Due to Covid and my partner's, Karen, hospitalization for a shattered knee and ankle, we were not able to come to Jalapeno Loco for quite a while.

Sergio was a wonderful man--and he always remembered us, what we liked to drink, and what food we liked.

His passing has made our world so much smaller.

Heartfelt condolences to you and Serio's family.

“ Sergio will be deeply missed by us. Sergio and Larry would eat grilled jalapeños together. He always made my margarita with a splash of a cookie (Orange Liquor). I will never forget his smile and how he used to grab my hand. You will always be loved and missed . Larry & Sharon Newburg

“ Srrgio was a wonderful man. He had a great smile and quiet demeanor. He was friendly, humorous, and made the best margarita in town. He remembered everyone who came in to Jalepaneo Loco. My hisband Tom always wanted salt with his beer and Sergio never forgot that. We will miss him dearly. Blessings and peace on the family. Tom and Maggee Frick

“ We still can't believe he's gone. We have been going to Jalapeno Loco for more than 20 years and Sergio was always one of the first faces we'd see as we entered. Memories of Sergio have been flooding our minds since we got this terrible news. I'd like to share just a few....One day I was asking him about his wife's tamales because I heard she would bring them in and sell them to the staff. The next time we were in, he said, "wait!" and he left the bar and came back with some tamales for us. They were wonderful and no matter how much I tried, he wouldn't let me pay him....Before Covid, we would come to Jalapeno Loco often, mostly on Fridays. As soon as Sergio saw us come in the door, he would start making our drink order. Chilling the martini glass, getting the pepino ready, etc. He was a Master behind that bar!...When Covid hit, we would come in every week and get take out. Just trying to do what little we could to help the Jalapeno Loco family. I remember the first time Sergio was back! We walked in and saw his face and I actually jumped up and down I was so happy to see him. He smiled back through his mask and waved. I remember what a wonderful feeling it was to see him again. Rest easy my friend. We will miss you greatly!
