“ *Grandma, thank you for loving me even at a distance. Such an amazing strong woman. I will miss you and that beautiful smile. I'm so happy you're not in pain and are reunited with your hunny! Te amo mucho abuela* ❤️

“ *You were our world. I hadn't had a mother for so long, I got with Luis and you took me as your own and became my mom. We didn't speak the same language but we still communicated with love. I never questioned your love for me, Luis or your grandchildren. We were so blessed to call you ours and you well never leave our hearts or souls. Love you mom.*
