“ *George, I was so sorry to hear about your dad's passing. He was such a great guy! He always had a ready smile and was willing to help with whatever needed to be done. I appreciated his help so much! He worked hard on pulling staples out of the floor at our "new to us" home. He obviously instilled the same values in you. I'm sure he'll be missed!*

“ *Even though I had not had the chance to meet him in person, knowing his son and family has been a great tribute to the life he believed in and lived. I know it not easy losing a parent. There is not enough words the espresso our blessings for your at this time.*

May God put his arms around you and comfort you during this time.

“ Whether it was drinking a beer by the fire, white water rafting, gambling at the casino all night long or having coffee in the morning, Al was always smiling. Definitely gonna miss him!!!

And the recent picture you shared with us with dad holding your daughters was a testament to your statement! He was grinning from ear to ear. Thank you !

“ One of my many fondest memories was the way dad knew how to motivate me. When I told him I was going to school to be a paratrooper, he quickly responded with those famous words "You'll Never Make It"! Once he said that, he had already known I would succeed and earn those infamous "Blood Wings" and making him very proud! Airborne! I am proud to have followed in his footsteps as a soldier and most grateful that I was able to call him Dad. Love Forever and Always.

“ I am so sorry to hear of the loss of Al, or as us good next door neighbors/friends called him, Porky. He was a fun, dear man and will be missed.

Mary, after reviewing many of his pictures when he was younger, I can see where he received that nickname! Thank you for your thoughts!
