

Alexis Martinez Castorena

July 25, 2022

Alexis Martinez Castorena, age 20, was tragically murdered outside of his mom's house July 25th, 2022 in Milwaukee, WI. While having a conversation with his brother and cousin, they were targeted by individuals walking by, and those individuals who have not been identified, began an altercation that resulted in Alexis and his brother getting shot. They were both hospitalized, but Alex did not make it.

Alex was born on September 7th, 2001 in Milwaukee, WI to Graciela Castorena Rangel and Enrique Martinez Romero. He grew up very closely with his two siblings, Gabriela and Fernando Martinez and his grandparents, uncles, aunts and cousins. When Alex was still a child, his father, Enrique, remarried to Maria Rodriguez. He then gained two additional brothers, Emiliano Garcia Jr and Enrique Octavio Martinez. Throughout his lifetime, Alex enjoyed playing soccer, spending time with friends, and burning out his Mamalona. He met Angie Arana in high school, and after three years together they had their baby boy, Thiago Alexis Martinez Arana. He loved spending most of his time with his small family, Angie and Thiago.

Alex had big dreams, but he always mentioned he wanted to travel around the world. Angie hopes she fulfills that dream for him, along with their son.

Todos sabemos que las memorias y el cariño que le tenemos a Alex van a ser para siempre, y las guardaremos en nuestros corazones.

In lieu of flowers, memorials to the family appreciated.

“ Alexis was part of the crew that worked to put up our new playground in Peshtigo. As park staff , we had the pleasure of meeting him as well as his co-workers, all of whom were very friendly, and the hardest workers! Alexis stood out as he always had a smile on his face❤️. Our thoughts and prayers to all who knew and loved him. - Peshtigo Parks and Recreation.

“ We literally grew up together, I've known you since we were in diapers, you were honestly my brother, you were in my life since day 1 and we're related both ways, half of the picture I have as a baby are with you! ❤️ We went to the same middle and high school my mom even took us together, and when I moved to Mexico you were the first if not the only cousin that texted me to see how I was doing and tell me that if I ever needed anything you'd be there and to reach out to you that you'd help me with what ever you could, the last time you were in Mexico was the last time I saw you, and you told rafa that when you came back you'd come and visit us, and yesterday I feel like you did! I will always love you and remember you 💙🕊️

“ *This is truly devastating and quite frankly unfair. This happened behind his own mother's home. They weren't out looking for trouble, the perpetrators incited and caused the wrongful death. Justice shall be served. Gun violence has to stop. Rest In Peace handsome, you touched many hearts* ❤️

“ I wish I could wake up from this nightmare and see him grow old, like we were supposed to. My baby cousin era enojon, berrinchudo, pero el nunca me falto al respeto, ni a mi, ni a nadie y por eso le agradezco su amistad y lealdad, no solo para mi, pero para toda la familia.

Alexis was not my brother, but I always felt he was more than just my baby cousin. We grew up in the same house for a couple months and even went to the same school until we were 14, it was inevitable that we grew up like siblings.

Although, we grew apart as high school went by and as we came into adulthood, and we went without talking for a while, whenever we had a conversation again, it felt like we never stopped talking.

I knew Alex is always going to look out for me because he promised he would.

When I moved out of my parents house, I had a housewarming party with my friends, he came along with Angie, and pulled me away from everyone to tell me that he would always support me, even if I needed money to cover expenses, or if my partner ever changed his mind about moving in together. I never asked for help, but I know he would never hesitate to drop something for me or anyone in the family.

Apreció todo lo que hiciste por mi, Alex. I love you so much. Se que se va hacer justicia por tu murder. I hope you notice all the support and love we all had for you. I'm so sorry this happened and sorry it happened to you, you nor anyone who was with you deserved to get targeted and attacked. Te extrañare Como no te imaginas primo □.

“ *Alexis was the love of my life. There was never a dull moment with him. Only god knows why he was taken from us so soon. Our baby boy will always be reminded how much his dad loved him y todas las travesuras que hacía con él. No nomas era mi pareja, era mi mejor amigo. Y por eso lo agradezco. I love you alex. Thank you for being part of my life.* ”
