JF

“ I miss u ( everyday) I've missed you before you passed and even more now then ever, u were my dad but also my friend I told u everything I had no secrets from you, when a certain song comes on I start to tear up , even when I give jr or Izzy a hug it reminds me of you, you were a good Man U did what u could and that's all anyone could ask for . Letting you go was one of the most heart breaking things I had to ever do so far in my life. I held your hand till your last breath, sometimes I think did I let u go to early while everyone else tells me you were already gone. Your grandkids are growing so fast ,life is hard and I can't ask you for suggestions , I know you r in a good place with grandma and grandpa and bino , so I'll keep sitting here next to your guys memorial in the movie room listening to old music and having a drink with u guys I love u dad.
