“ I remember so many Tuesdays at the Elias home, studying and praying together . Tony gave my son, Sean his first Bible which Sean still has and uses. Many of my kids were in CCYM and they had such great a mentor in Tony. Thank you for all you were to do many.

“ We were so sorry to hear about Tony's passing... He worked for us in the late 80's early 90's. He was such a nice young man and a pleasure to work with. Here is a picture if him when we were celebrating the holidays. May he now be at peace. Heaven is truly getting an angel.

“ Our deepest sympathies and prayers go out to all of his family. We got to know Tony many years ago through church and CCYM. He was the most incredible gentle man with such a huge, beautiful, kind heart and soul. He was also an amazing mentor for our daughter and many others through those teen years. He always provided a safe place for so many kids through the summer months leading up to remarkable musicals. Always in our hearts. May you now find much deserving peace in Heaven.

Love, hugs and prayers,

“ Tony will be missed and was a dear friend for ten years. I enjoyed our Tuesday night movies, music in the park and annual Trick or Treat gatherings. I will always remember his sense of humor and million dollar smile. He was a big fan of my cooking and sweet treats and I always kept him well stocked with extras. We also took a week long trip to Door County years ago and made lasting memories with Sue as well that I will never forget. I will cherish the memories. May he rest in peace.
