“ I have known Arlene since High School CYO dances, where Arlene was usually the best dancer on the floor. We continued on with our friendship with our Annual Christmas parties and many many birthday lunches with the Gals.

*Arlene, May you Rest in the comfort of our Lord's arms and I look forward to when we shall meet again. God Bless you and your entire family.*

“ Arlenee was "one of the birthday group". We sure missed you in January when you couldn't make it to your birthday luncheon this year. We toasted, "to Arlene". You were in our hearts then, and, of course, now. We will miss you dearly. And we will NEVER forget your famous cheesecake! I think now, whenever I have a piece of cheesecake, I will think of dear Arlene. And think to myself, "boy, this sure isn't like Arlene's".

*May God's angels take you to heaven. All your suffering is over.  
Rest in Peace, Arlene.*

*Love you.*

“ Dear Arlene, I just wanted to say thank you for all you did for me. Babysitting for Ella so I could go to work , watching her when I was sick, and just being the best Grandma for Ella! I don't have words to say how grateful I was for all your help you gave me. I will be for ever indebted to you and you will be deeply missed. Thank you from the bottom of my heart ❤️! With sympathy, Laura.
