“ Arlene and I are first cousins and I remember as a little kid , her coming up to Minnesota with her Dad, Herman Reinecke, to visit his brothers, Ed, Fred, and Martin. There was a lot of visiting between Mn. and Wis . Reineckes. About six years ago Arlene and I (Dale Reinecke) started working together on the genealogy of the Reinecke family. I would go to Arlene and Dean's and stay over night to share information and she would compile it all together. Arlene was a very gracious lady! I always enjoyed calling her and keeping in touch. Now Arlene is in heaven, free from her pain and disabilities that she had most of her life. Arlene you will be missed very much! Dale Reinecke

“ I met Arlene in about the 1960's When we worked at Kohl's Dept store located in So Milw. Eventually we all started getting together with some other couples and we would go to the Melody Bar and listen to Country music. They taught me how to play sheephead which I still do in my senior apartment today. We all pretty much stuck together and traveled to Nashville&Florida until 3 of the couples spouses passed away & they went to Tx. Lots of good memories.
