

Audrey Lyn Skott

January 24, 2020

Audrey rejoined her loved ones on the other side on January 24, 2020 at the age of 65. Audrey is survived by her four children; Gary (Margaret) Czaplewski, Andrea (Cary) Maleu, Elliot (Jacob) Eernisse, Daniel Cannizzo, and Audrey's granddaughters, Alyssa Rupert and Ella Martin.

Audrey was born in 1955 in Milwaukee to Ralph P. and Marilyn R. Skott (nee Porter). She graduated from MATC with a degree as a Certified Nursing Assistant and was also licensed as a Medical Technician at WCTC. She was always an advocate for the inpatients and wherever she set foot, raising heck until something was fixed for patient comfort. She worked compassionately with oncology floor patients at old St. Luke's Hospital and continued her service at a nursing home until 2018.

Her children will remember Audrey as the best mom in the world and a friend to confide in. Audrey was original; she never caved into convention and always followed her own path. Audrey was a talented painter; every portrait she painted was done with love. Audrey was cleverer than MacGyver and often said, "necessity is the mother of invention." Audrey was lovingly known as "Marms," by her children and by anyone that needed a sympathetic ear or a mother's love. She would often dispense wisdom with what her children described as "Marmisms," such as "work smarter, not harder," "no thinking while drinking," "the only way out is through," and, "don't look in the rearview mirror!"

The family would like to thank the entire Aurora Health at Home Hospice Care

“ Audrey Skott will always be remembered for her love of the Beatles, her beautiful children and the fact that she was strong willed and kind hearted. She became a friend on Facebook through my daughter. She gave my daughter a painting for her wedding gift. She portrayed my daughter as an angel.. A picture that hangs in their home and each time I see it, I can't help but smile. The saddest part of knowing Audrey is I never got to meet her in person. It didn't stop me from sensing if we lived closer, we would have been the best girlfriends. I will miss her posts, her smile, and her positive attitude, but I know she is in a beautiful place, hanging out with John Lennon and George Harrison, hogging the microphone! Love you, Audrey! Rest In Peace.

“ I remember Audrey as a little girl. She was so full of energy she had a bug collection of all things. She like to play pranks on us older kids for attention I think, because we were older and in school when she was born, she probably wanted to be more interactive with us. When she was in high school she made my daughter Dena a pretty red velvet dress and Dena was in her high school fashion show (reluctantly).

I love you little sister and I can't believe you're gone so soon.

I'm sure mom is overjoyed to have you there.

Love you big sister Ellen
