“ My heart hurts knowing your never calling again. Never coming home to me again. We had so many great memories from day one. I wish we could have made it to forever. I wish the wedding in PR would have happed. You are Mi Corazon. You only get 1 heart in life. And you showed me love i forgot could exist. I will never stop praying to see you again. I love you Benny. Always.

“ Benny benny would visit me a lot after he finished work in the morning. I often shrugged my shoulders because he'd ask me to make him sugar water. One day i got it right. He said "you got it right, girrrrr!" I will always keep every memory close to me. Miss you Benny.
