“ Dear Hofer Family,

*I discovered Bernice's death notice in the Milwaukee Journal Sentinel this past Sunday.*

*I went on line this evening to see if I could locate the Funeral Home. I was pleasantly surprised to find it so easily.*

*I am Jane Diliberti Morris, and have been thinking about Bernice and Bob every now and then, but did not know where you lived.*

*Hello Bob. I am sorry to have found you through Bernice's death notice. I remember you and Bernice as a very loving couple and some very good children to baby sit for. I enjoyed taking care of your children when you needed me. Your baby sitting money helped me pay for my high school education at Mercy High School. Congratulations on your 66th wedding anniversary. I wondered after I read Bernice's death notice, how many years you were married. I had guessed at least 65 years.*

*I remember you moved from our Scott Street block to the next block east of us, to a very large home with lots of space and room for your family. I remember Ruth, Michael, Janet and Thomas. I believe Catherine and Paul were born after I graduated from high school. I remember your family with fond memories and happy times.*

*I plan to attend the celebration of Bernice's life on October 21st.*

*Jerry and me celebrated our 50th wedding anniversary on September 2, 2018. I retired from my job in November 2009. Time passes when you're having fun.*

*Take care and please know my prayers are for all of you during this time.*

*My love to all of you, Jane*
