“ *I'm very sorry to hear about Beverly 's passing. I did her hair for over 30 years, life long client. I miss her dearly.*

“ *We had the pleasure and honor of living next door to Beverly for 12+ years and have just learned of her passing. She was truly one of a kind. We marveled at her strength and independence every day from age 80 until we left when she was 92. We are so pleased to have known her and comforted to know now that she is at peace. - Francisco & Kirsten Vasquez*

“ *Beverly Koch was a dear childhood friend of my mother, Viril (Elliott) Tans. They lived on the same street for many years. I last saw Beverly when she attended our mother's funeral in Waukesha a few years back, she was a loyal friend to the last. So very sorry for your loss...*
