“ *Best neighbor. Always ready to help out with the snow. Best memory was walking around the block with my grandsons and when we walked by Bob's house he was always there to give them candy. They just loved it.*

Will miss him.

“ *While I only spoke with Bobby on the phone and unfortunately didn't get to meet him, I do know that he raised an amazing daughter. Traci has shared how one of the highlights of his day was visiting Grant Park, enjoying the sunrise and seeing the animals doing their thing. Envisioning that, I was drawn to support the park that gave Bobby so much joy! (www.fogp.org)*
