“ Bonnie you endured so much and always overcame with a smile. You worked hard and provided and many times way to giving, but that was always your nature. I always admired your strength. There is nothing else I can say here that those that knew you don't already know. You will forever be missed. Please visit me and haunt those that hurt you, until we meet again.

“ *What can I say that hasn't already been said. Although we never met in real life, I felt like we became great friends. You were always funny, witty and I'm glad I got to know you over the last decade. Rest well*

“ *The best, strongest and most hard headed mother and grandmother. Thank you for everything you've done for Jaidyn, I wouldn't be his mother without your support. You will be missed and forever in our hearts*

“ *Bonnie was a very strong and independent woman. Taking care of her 4 children the best she could with the many obstacles in her path of achieving a healthy and happy family life. I had the opportunity to help her with getting some of her necessary medications to help her survive and live. So she could be with her family as long as she could. But her body failed her. But not her spirit or love for her family. You will be missed . And to leave this world so young and beautiful. Taken away decades too soon. RIP Bonnie (Bon Bon). 🙏🏻😊*
