“ I met Carmen a few years ago at our travel agent convention and we quickly became friends because we had a few things in common like working for the VA, and our love of travel. I'm going to miss our conversations about making it big in the travel and trading industry. May she rest in paradise... My condolences goes out to Carmen's entire family, she truly will be missed.

“ *I worked with Carmen at the VA for many years. This is really sad news. My condolences go out to her family. She was a kind and sweet person and was always very helpful to me at work. I'm unable to come to her funeral because I am out of town. I will be thinking of her and her family at this time and will keep them in my prayers. I will always remember Carmen with a smile.
