“ Carmen was a very talkative person, he liked to socialize but was a very private person at the same time. My family met Carmine while walking past his house on their way to El Rey grocery store 16 years ago, I know, who would shop there. Carmen and I drove around a lot together over the years, mostly to go grocery shopping. Carmen and I went to some Brewers games over the years, most recently opening day of last season (2021) at American Family Field. Carmen and I took a train ride to Wrigley Field on October 1st of 2018 for the Central Division tie breaker game: Brewers vs. Cubs, the Brewers partied in Chicago that day, that was a great day. Carmen loved the Chicago Cubs, he got to see them win the World Series before he past. Carmen always answered his phone and assisted you if you needed help getting places or had an emergency of any kind. Carmine enjoyed betting on horse races and buying scratch off lottery tickets. He enjoyed driving, being independent and living life. We will all miss you Carmen. -Estee
