“ I first learned about Carol from Tim- who I worked with at the State Fair. My interaction with her - a few phone conversations. And finally met her at a get-together we were had at the Polish Center. And then at Easter last year. What a beautiful soul. Wish I could have known her longer. Tim - it will be the little things you will remember, the quiet times, the smiles, the laughter. May you find comfort in recalling the lifetime of special moments you shared God bless you. karen borchardt

“ Carol & Tim moved next to me in 1984. I got lucky. No sweeter neighbors on earth. She would make zucchini bread for my husband and I. When my mom was in hospice she made her a shawl to keep warm. She even walked to the store to get me something I needed after surgery. She was a quiet, giving, sweet spirit. Such an empty place in our hearts now that she's gone. We will remember her with fondness. She was one of a kind. Tim... we're here if you need anything at all. Ellen & Brad

I loved my cousin Carol, and admire how great she and her brother Tim got along and took care of each other. They were an example of true sibling love.

Tim, I am sorry for your loss. Carol was loved by many who worked with her over the years at Aurora Healthcare. I am fortunate to have worked with Carol in several capacities over the years. I truly appreciate the many years of dedication she gave to the organization. May God surround you Tim with his love during this period of mourning.
