“ We will miss you Auntie Cathy 😭

How we will miss our fun loving, crazy, sassy Auntie Cathy. Things just won't be the same without you. You know I have to bring up our absolute favorite memories...Heading out for a fun night in Oshkosh with Darin and Chris and ending up at the Elvis bar with the not so even floors. Still makes us laugh whenever we think of that night. All of us playing the Train game and Becky always winning 😊. Our vacation in the Ozarks also with games including some cash earnings. All the Christmas memories we have that will be cherished forever. We still remember the huge Teddy Bear that Alec received his first Christmas. The Harry Potter book collection that Alec and Morgan still fight over, but Morgan reminds him that they belong to her 😊. The endless chats about antiques which was always a shared love. Although you were taken from us way too early, you will live in our hearts forever. I hope you and Skip are catching up and doing a little dancing in heaven up 🙏.

Love you & Miss you,

Darin, Jill, Alec and Morgan
