“ We are so saddened to learn of Cheryl's passing due to cancer. Cheryl was my home/auto/umbrella insurance agent for many years, going back to when she worked for Bill at his agency and since she purchased the agency as her own business. Even though my brother Joe and I were her insurance clients, she made us feel we were her friends. I would see her infrequently, anytime I needed my signature notarized. May we extend sincere condolences to Cheryl's family. May Cheryl RIP...

*So broken hearted with receiving the letter yesterday that Cheryl's brave battle had ended. My late husband and I got to know her when we signed up with Bill Luepke, & proud of her taking over the business later. Personality plus - honest & forthright - all around sweetheart. Hugs to all her family.
