“ Chris, I remember when you worked with me on 5East. You had just started in nursing & you came to nights & we had great times!! Then you floated to antepartum & I said why don't you stay here & you did! You found your path & everyone loved you! You were a great friend, & wonderful nurse to many patients!! You made a difference to all you touched! Now God has a great angel to look out after us all! Rest peacefully my dear friend!!❤️

“ I will always cherish our late night talks while working together at St. Joe's, swims at the lake, and other fun gatherings outside of work. Our Antepartum family lost an amazing sister. You will always hold a special place in my heart Chris! Rest easy my sweet friend.
