“ *Chris was a good friend of our youth. He and I signed up to join the U.S. Air Force together, he went in 1 week before me. Time and distance drew us apart, but I will ALWAYS remember him! Rest in peace my friend!!!*

I worked daily with Chris and was extremely blessed to have had a chance to know him and become his friend! I learned a lot from him and could always count on him. He will be greatly missed by his co-workers, we will celebrate his life remembering all of the good times we had. He will always be in our hearts.

I was fortunate enough to have worked with Chris and witness a dedication to work and his team family that is very rare. I enjoyed the time we spent talking about sports and pets and I will miss those conversations going forward.
