“ *Collette (& Lenny) were two of the first friends of my parents that I knew as a child. In fact both were childhood friends of each of them. We had many family cookouts through the years and the 4 of them played many a card game together. Colette was a wonderful presence in my childhood. I will miss her.*

“ I simply cannot express what this lady meant to me as my Grandmother-in-law. She was kind, loving, caring, thoughtful, sincere, and had quite a sense of humor. She has done and taught me so much personally that I will be grateful for forever. I will always remember and cherish our family get togethers during the holidays and beyond. Enjoying lunches, dinners, shopping trips, and moments at the casino in Henderson, NV I will never forget. She was truly a remarkable Grandmother to Kristen and was always there for us. I will miss you more than you know, and will promise to treat your granddaughter with the love, dignity, respect, and care that she so deserves and that you always had shown. I will take comfort in knowing that heaven is now a much better place with you there, and that your memory and life will live on in our hearts forever. Rest In Peace. I love and miss you Grandma!
