“ Lee you were the kindest person I have ever known. You were kind and loving. You were the best friend anyone could ever ask for. If it were not for you , I would be in a wheelchair for the rest of my life. Only you made sure that didn't happen to me. I will be forever in your debt sweetheart. I look forward to seeing you again one day as I know you are with God and his angels. You will never be forgotten as long as we remember you. and we will remember you to the end of time. I love you Miss Lee,

Carolyn

“ Lee You were placed in my life for reasons the good Lord knew. You pulled me through days that gave me hope for the following days! I shared your love for collecting Angels and always enjoyed viewing the ones you had. Now I believe you've become one. You'll be missed. Always my friend dear lady Fly with the Angels ❤️
