“ Trying to relive our memories together, during this time of heartache and sadness! You will always have a special place in my heart! You were an amazing father to your children. You were my best friend! Someone that I knew never judged me. I always felt like you genuinely cared! My prayers are with your family and your four babies...Olivia, Alicia, Jovanni, and Tessa! You will always be loved and forever missed! Spread your wings and fly high. I pray you rest peacefully in Heaven! Until we meet again...🙏💔😭

I think that song says it all. I can't stand not having you here. It hurts more and more as each day passes. I hope you know just how much you are missed and loved! 😭😭

“ *I was deeply saddened by the news of Danny's passing. Even though we have not kept in contact over the years, he is still someone I would consider a great friend. I share so many fond memories with him from middle school and high school, too many to name. He was goofy, fun loving, charismatic and had a heart of gold!*

*To Brenda, Frankie, Holly and your four beautiful children..I know there are no words to ease the loss you feel, but please know that you will remain in my thoughts and prayers. Although it's difficult today to see beyond the sorrow, I hope looking back in memory helps comfort you tomorrow.*

*Rest in Heaven Danny, you will never be forgotten!!*
