“ A comprehensive, intimate biography of my brother. Dave was truly gifted in many ways...I remember Dave and I playing little league baseball for the Orioles. He was an excellent pitcher with a mean fastball, We won the pennant at Ladish Park in Cudahy. He then went on to basketball with longtime friend Mark Megna. They went on to high school and Dave dominated as a power forward all the way to the State Championship. Dave's record for all time rebounds still stands to this day in the school auditorium and made the Milwaukee All Metro Team which got him a scholarship at NDSU where he continued to dominate and played against up coming NBA stars...Dave, being the talented man he was, completed the Electricians Apprenticeship for Pieper Power and worked for st.Lukes Hospital, W.E. Oak Creek Power Plant, Mitchell Field Airport doing high voltage terminations. He also did countless jobs for friends and relatives building rec rooms and power upgrades. His passion was hunting and fishing which he was really good at. The dozen deer trophies and fish are a testament to this along with his now famous friend and professional hunter Andrae D'acquisto. Dave has a friend in Florida. Tom Mueller. They would game fish the Florida Keys and snorkel for lobster. Dave also enjoyed playing poker in our rec-room on weekends with his friends Andrae, Scott cambell, Tim schwartz, Tom Gresch, Mark Megna and whoever wanted to lose their money...Dave and his wife Angela loved to travel and Entertain. He told me he wanted to sell the house and buy a travel trailer . He also talked about his love and only child Angie a lot. Dave was also was anticipating going fishing with his new grandson someday. He loved to play with all children which i think bought it out in him. I am devastated that he left us much too early. Dave had sign on the wall. it said: Live, Laugh, Love. You will be remembered and loved in our prayers. brother Scott...
