“ Dean, Darrin and Pluskota Family,

*I am very sorry to hear about your brother David, but to me he will always be Dave. I look back and I think of the laughs we enjoyed and friendship, including opinions on simple topics of sports. And unfortunately as our lives moved forward we drifted apart to new chapters.*

*I have to tell you as life goes on there is not a time I have not thought about the past including friends, family and more that crossed paths with me through the years.*

*To the Pluskota family and of course David thank you for a simple Hello and making me always feel welcomed. Dave till I see you again my friend.*

*Love Always,  
Jeff Gawronski*
