

Deborah A. Glazeski "Ski"

June 1, 2017

Debbie passed away June 1, 2017 at the age of 49 years. Loving daughter of the late Christine and survived by her father Joseph Glazewski. Dear sister of Dawn (John) Sanborn of Scottsdale, AZ and Anthony Glazewski. Debbie was preceded in death by her uncle and Godfather, Timothy Glazewski. Also survived by aunts, uncles, cousins, and a small group of very special friends. Debbie is further survived by her favorite cousin Steven. Steven donated a kidney to her in 1998. This selfless act gave her 17 years of comfort in a 20 year battle with kidney disease. In lieu of flowers or memorials Debbie would have wanted to strongly encourage everyone to give the gift of life and become an organ donor. Private family gathering was held.
