“ Ron, Jed, Sandy... I am so sorry to hear your mom passed. She and your dad were so very kind to me when we were kids growing up. I think I saw them more then my own parents. They really were a great influence in my life. I appreciated them more then you know! Glad she had such a nice, long life! She always seemed so happy! We will keep you all in our prayers, and know you have our deepest sympathies.

“ My sincere sympathy to Ron, Jerry, Sandy and their families. I lived with my parents at 1942 South 21st from 1958 until 1964; my father lived on in the house until his passing in 1981. Delores was so kind to him and brought over food and cheerful conversation. Of Mrs. Budziszewski, I can not say it better than has already been written "Delores is a shining example of kindness and devotion to family, friends and neighbors and she will be greatly missed by all who knew and had to love her!" She was a great soul! She was a kind and wonderful lady. My heartfelt sympathies and deep affection for the family of a wonderful woman. Allan Deptula, Evanston, Illinois

“ Sending love to all of the Budziszewski family as I think of all the years at St. Adalbert church/school/CYO events. Such a beautiful lady - inside & out- always a smile on her face. Please know I always say Hi to your Dad...& now will to your Mom... as they are just a couple rows from my parents at the cemetery. Such a wonderful couple, who raised 3 super great kids. On behalf of the Modjeska family Peace & Love.

“People only die when you forget them.” Mom, I will never forget the wonderful life you gave me, and the gentle touch you showed towards everyone you met. So many others will remember the good times they shared with you and smile at the memories.

Thank you for everything. Goodbye for now - love always. Jerry

“ I look at Aunt Dodie's picture I had to stop for a moment as I remembered all the Christmas round robins, the celebrations that took place in Aunt Dodie's and Uncle John's backyard. All good and warm memories we carry inside of us every day. Aunt Dodie will always live on in our hearts. Our prayers go out to Ron, Jerry and Sandy. Take comfort in knowing that she is again together in the arm's of her true love and soul mate, never to be apart again.

“ With a sad heart I offer my deepest sympathy to the Budziszewski and McVeigh families. Delores "Dodie" was an absolutely beautiful person both inside and out. She was never judgmental and had a huge heart. After her niece and I moved on, I would see her in my neighborhood frequenting a favorite sub shop, next to my home, and we would talk and she had only beautiful things to say. She had a heart of gold and a personality that matched. I consider myself very blessed to have had the opportunity and joy to have known her and John and now the heavens are shining bright with her presence. Dodie, may you rest in peace as your work here on earth is done. Thank you for making the world a better place for so many including myself.

“ I am so sorry for this loss to your family and just to the world. Aunt "Dody" as I called her as a child was my godmother and so much more. She was so involved in the family and kind and loving. I remember many of our family camping trips and family parties together. Take care Sandy, Ron and Jerry and to all of the rest of the family. She will be missed.

“ I was in fourth grade when Delores' husband, my grandfather, passed away. When the physician came in to the room to express his condolences, Delores told him that "it's hardest on the grandchildren." Grandma's focus was always on the wellbeing of others over herself. She will be dearly missed.

“ Delores was always very thoughtful. She always made it known that she cared. There is no other loving individual like her. I will always remember how special she made us feel special with her Easter Lamb cake and Christmas cookies with her thoughtful message of celebration. May Delores Rest in Heaven and she will forever be in our Hearts. From The Macias Family, her neighbors.
