“ *Our Dearest Dennis, We can't begin to tell you how sad we are that you had to leave us on this beautiful autumn day, and how much you will be missed. You went through so much these past two months, but there was 'good' that came of it...you brought all of us closer together. We loved how you could make us all laugh...your sense of humor will be truly missed too!! You are our hero & you will never be forgotten! R.I.P....with Love from your entire Family.*
