“ Denny was my first cousin. I just found out now he passed away. So sorry for the families loss. I remember he loved his antiques and his wife Elsie was wonderful. She would tell me stories about Denny would go to buy or sell antiques. One time she came home and their dining table and chairs were gone. Shes like he sold it again. She used to laugh at him. He was doing it all the time. So she never knew what furniture she would come home to.
