“ Dennis had an undying enthusiasm about loving life and spreading that love to his dear family and friends. He was positive, humble and willingly shared his ideas and great sense of humor with all he knew. He was always easy going and I never knew or saw Dennis to become angry or upset. These are the reflections I have of him growing up with him in our early years together in the 50's and 60's in wonderful Whitefish Bay. The most time I had with Dennis was in Boy Scouting at the Methodist Church and attending The Milwaukee Journal Camp in the summertime to earn those tough little Boy Scout Merit Badges. His humor and fun really "spilled out" our freshman year in the late Mr. Harold Aiken's afternoon freshman "General Math Class". I loved attending that class because I knew Mr. Hiken would "spotlight" Dennis' s playful in-class behavior. I left Whitefish Bay High School in the spring of 1962 but I never forgot Dennis and our strong Henry Clay and WFB "roots". Its tragic in this life that the passage of this life brings so many changes and can physically often distance ourselves from dear friends and loved ones. But in the case of Dennis, I never forgot him, his humor, friendliness in being kind and his love for so many. As true Christian believers in Christ, we are Assured of His Message of Love that Life IS Eternal and that those we have loved and have temporarily lost in the here and now, WE WILL BE JOYFULLY REUNITED ONE DAY WITH ALL THOSE GONE BEFORE US WHO WE LOVED AND LOVED US SO! For all of Dennis's family and friends, May God Continue to Bless, Keep, Comfort, Assure, and Give You all the Hope of Christ's Resurrection! Lovingly, Frederick (Rick) Holtz and Peggy Holtz
PS I am so sorry that we are unable to make the memorial service today.

“ I remember clearly my interview with Dennis for a position at Half Price Books. It took 3 hours. I believe he promised me a bottle of bourbon ;) Yes I hired him. I know he was an asset to the store. And he was also a friend to many employees over the years. He will be a chapter in my life that I won't forget.

“ Too many memories to share. Several sock hops, cross country skiing at Wolf River Lodge and many many dinners and good times together. Den always had a great story(usually about some relative or friend) and always a new story. Always had a great time with Den and Chris and can not remember a bad word being said about anyone. Dave and Linda will miss his humor and stories.

My heart goes out to Christine and the rest of the family. Dennis was a wonderful friend. We had great talks about the stock market and life when he came to Runzheimer.
