“ I have many sweet memories of my nephew Derek. I loved his beautiful open smile. I loved how he always called me Auntie Peggy. We always laughed and had a great time. We just found each other again after many years. We had a great conversation recently and caught up. We each told each other "I love you." We were to talk soon but it wasn't to be. I am so glad you were a piece of my life. I will miss you Derek.
