

Diane A. Kane

February 6, 2022

Reunited with her loving husband of 42 years, Patrick on February 6, 2022 at the age of 74 years. Beloved mother of Shelly Kane. Loving grandma of Joseph Kane. Dear sister of Marlene Lohr, Sharon Pokrzewinski, Marianne Pokrzewinski, David Pokrzewinski, Thomas (Janice) Rodiez, Kenneth Rodiez and Elaine Rodiez. Diane is also survived by her cat Angel, her bird Coco, her nieces, nephews, other relatives and friends. Proceeded in death by her parents Clemens and Irene (nee Strzeszynski), her brother LeRoy Rodiez and sister Rosie Williamson.

Diane was born and raised in Milwaukee, WI in 1947. She was a dedicated cafeteria cook at St. Anthony School and St. Joan Antita High School. She went on to volunteer and assist residents at Sunrise Nursing Home where her mother Irene also resided. The facility offered her a job where she remained until she retired in 2012.

Diane was a devoted mother and grandmother. She would often volunteer at Shelly's and Joseph's schools when they were younger. She would read to the class and just enjoyed being involved in their schooling. Her love for children was apparent and she always took the time to stop and say hello.

Diane's other love was the world of Professional Wrestling. From WWE to NXT UK and everything in between. To miss a Pay-Per-View Event was unacceptable. Her sisters and her would often call each other and discuss the matches.

To say that she will be missed by her family and friends is an understatement.

She has affected so much of our lives with her unconditional love, respect and knowledge. She always had a smile, a laugh, and would often joke around with her family. Diane had a kind and giving heart. Always putting others before herself. She was selfless and would do anything for anybody. She wished to be remembered as a hardworking, loving mother and a kind spirit. Her wishes were to be cremated and placed next to her husband of 42 years, Patrick. She missed him more than anything and will be reunited with the love of her life.

“ *Very sorry to hear of Diane's death. I worked with her at Sunrise Care Center and she would always stop to talk no matter how busy she was. We shared an interest in playing slot machines and would often discuss our luck both good and bad. Thoughts to the family...(Barb Trojanowski)*
