“ *Dominga was never anything but a caring angel for her fellow man here on earth. She had only kind words, kind thoughts, kind works and a smile in her heart. In my 73 years she stands out as an exception as to what we could all strive for. you spoke often of your love for your daughters, your dear husband and grandchildren as well as the lord. I think of you often, you made me be a better person . You are dearly missed ms. Dominga. With all my love. Dr. George Chris panos.*
