

## Donald J. Brick

September 16, 2020

Brick, Donald Joseph God called his steamfitter, woodworker, and cyclist home on September 16, 2020, at the age of 85 years, ending his more than 35-year participation in the United Performing Arts Fund—Ride for the Arts. Don started his apprenticeship in 1953 and ended his career in 2000 as the Training School and Apprentice Coordinator. He contributed his many talents to the Boy Scouts (Scout Leader and Wood Badge Instructor), Badger Trails (Past President), the American Red Cross (Trainer and Volunteer), and the Knights of Columbus (Fourth Degree and Master's Award).

Donald was preceded in death by Patricia Ann, his beloved wife of 58 years. Loving father of Sandra (Fred), Kathy Thomas, Jim (Katie), David (Carol), and Toni (Christine) Brick-Roth. He especially loved his eleven grandchildren and four great-grandchildren. He is also survived by brother Joseph Brick (Florence) and Yvonne (Donald) Jordan. Other survivors include nieces, nephews, additional relatives, and his friends at Wilson Park Senior Center, Steamfitters Local 601, St. Roman's Parrish, Elizabeth Residence, and classmates from Don Bosco High School. Special thanks to the wonderful caregivers at New Perspectives Senior Community. In lieu of flowers, the family would appreciate memorial donations to the North Star Museum of Boy Scouting and Girl Scouting at <https://www.nssm.org/make-a-donation.html>, where Don donated a large portion of his scouting collection, or to the American Cancer Society. A private service is planned.

“ Dear Dave, Carol and family,  
Please accept our sincere sympathy on your Dad's  
Death. I recall that he was an active guy from our  
Conversations, that seem like yesterday but were many yesterdays  
ago. We hope you and your family  
Are well especially in this stranger than fiction year that We are all  
in!

“ I'm so sorry to learn of Don's passing. I have fond memories of Don  
as scoutmaster of Troop 238 based at St Roman. Don inspired me  
to attain the rank of Eagle Scout, which opened all sorts of doors for  
me throughout my life. Although I never called him my mentor, that  
is what he truly was. Thank you Don! Rest peacefully.
