“ Gram was truly a caring and loving woman. She put family and dear friends first and foremost. She accepted you as the person you are, always found the good in people and understood your faults, because we all have them. Our world is not a perfect place but she brought kindness, smiles, laughter and a quality of putting you first in her life. Gram, I will miss you even though you will always be in my heart and my thoughts. Knowing you has truly made many days enlightening. I will always cherish our time together and thank you for all the wonderful things you did for me. Peace and blessings as you continue on. Your loving granddaughter-in-law Linda.
