“ Dorothy has always been a staple at our family holidays. My earliest memories of Thanksgiving and Christmas include Dorothy sitting in my grandparents' living room, dressed in a fashionable outfit and accessories and chatting about interesting topics. She always was the sharpest player at our Sheepshead table. Rest in peace, Dorothy. The holidays will not be the same without you. And peace to your family in this time of mourning. Love, Beth Leonhardt

I have known Dorothy literally my whole life. She and my Dad were nextdoor neighbors as kids. I do not remember a holiday without her. She was present at my grandparents' house and then at my parent's home. Then, when my parents passed on, our house. She always had interesting stories to tell and was a very classy lady. Like my daughter said, holidays will not be the same. However, these past years were rough for you, Dorothy and I know you are happier and at peace now.

Our whole family will miss Dorothy at holidays and will toast to her memory every Thanksgiving and Christmas. As my sister Peggy said and as my brother Bob also expresses, we grew up with her at our family gatherings. She was so kind to our grandmother, especially in grandma's later years. Took time to visit with her and play cards, a staple of grandma's life. I loved her stories and admired her fearless and independent nature. Always classy, always chic. Shared stories of her travels, art, cat, and summers at the lake house. My memories and thoughts of her always bring a smile. Rest in peace Dorothy. Give our best to our parents and grandparents. Thank you for being part of our lives.
