

Dr. Rev. Roy L. Bowen

December 6, 2023

Went to meet the Lord December 6, 2023 at the age of 80 years. Beloved husband of Sally (nee Hanak) for 58 years. Loving father of Nicole (Chuck) Purpura. He is further survived by sisters, brothers, nieces, nephews and other relatives and friends.

Roy was a proud US Army Veteran of the Vietnam War. He was a successful businessman, pastor, author and founder and president of Midwest Bible College.

Discipling students and pastors was the passion of his life. He touched many people's lives over the years and those relationships were very important to him. In Africa, he discipled pastors, preached to many, and loved the humanitarian work he was able to help provide. He adored his family, gardening and golf.

In lieu of flowers memorial contributions may be made to the Midwest Bible College Scholarship fund (MidwestBibleCollege.org/donate).

“ *I had the pleasure of knowing Pastor Roy since I was 11 years old, I am now 34. I was blessed to have him perform both of my daughters dedications, my sister's wedding, my cousins funeral service as well as my grandma and grandpa's service. He was a kind man who always made you feel at ease and his presence brought you so much peace, when you spoke to him he truly listened and you never felt judged. He was a dear friend to my Father and was loved by our family very much, I will miss him very much but feel so lucky to have had him in our lives. Sending my love to his wife and daughter* 💜

“ *Roy is a high school classmate, and I have fond memories of him as a fellow basketball player and as a lifetime friend. His visits in Colorado were always a treat, and his reports about the ministry in Wisconsin and Africa were inspiring and always welcome. He will be missed, but his legacy will be a testimony that will live well beyond his years.*

“ *Pastor Roy was a kind and direct man of God. He preached unapologetically the Word of God, taught me many ways to reach the lost for Christ and how to have a firm belief in the Word of God. I always loved his bible affirmation we would recite in the beginning of Wednesday bible studies service.*

We celebrate the life of this giant kingdom general. I have sat Online under Dr. Roy L. Bowen for the last two years and it still feels like I have met him physically, which I never did, because of his unapologetic character as he expounded the word of God. I didn't think I would not finish my Masters degree without you my professor, but I appreciate God for the two years with you in this revelational class! May God comfort the family and give more strength to the Midwest fraternity to emulate the life and spiritual achievement of the man of God Dr. Roy L. Bowen.

You will be missed my Doctor but your legacy will remain with us your students.

R.I.P Papa!!
