“ Grandma...I'm sorry & sad to first hear of your passing first now. But I'll always remember you for teaching me where I came from & who I am #polskapride, who to pray and give thanks to, drawing war pictures with you, fishing in the backyard, making key holders & sewing buttons, eating fresh green beans out of the garden with, calling me "macho" (promise grandma I've always lived up to name...always!), and of course peaches and cream!!! U meant more to me than I ever had the opportunity to let you know of. Always with thoughts of love & great memories grandma! ~kyle aka "macho" :)
