His passions involved religious theology, authoring several books, fishing, space exploration, physics and being a creative inventor and self-made engineer developing board games, puzzles, and fishing lures. “The Price of Freedom, The Living Scrolls Revealed in Names, The Revelation of XII Minor Prophets, and The Revelation of XII Sons of Jacob” is among his latest books he authored and published signifying his commitment to sharing his life and devotion to God with others.

The special thank you to the Heartland Home and Health Services at East Troy Manor for the exceptional care they provided during his entire stay and the exemplary Hospice Care.
