“ Uncle Erv has been a part of my life for over 60 years. He was my god-father and our families spent much time together while I was growing up. He loved to laugh, and was proud to be a "Polak". He had a tender heart, and lived thru much sorrow. He loved his family, including the great number of cousins, including my parents, Ed & Marilyn Beck, who were in "cousins club" with him for more years than I have been alive. I saw him a few years ago when I was visiting from St. Louis for my parents 60th wedding anniversary. His smile was contagious, and his stories were always good. May God comfort you as you mourn his loss

“ I consider him Uncle Erv as I knew him since I was a young boy as a friend of his nephew Allan Kryszak in the early 60's. He was a gentleman had a sense of humor and the best of a family man. I know he will be missed by family and friends and me. Goodbye Uncle Erv!
