“ *Dear Haczynski Family,*

*It is with great sadness that we offer these sympathies to your family. Florence and her beloved husband Bob were a very important part of our family for many decades. Our family had been neighbors for many decades as well. We were so very close through the years. Both Florence and Bob were wonderful to our two children all the years they were growing up. They treated them like their own grandchildren. Florence was always there if you needed to talk and talk we did for so, so many years. We are sure going to miss the love we felt from both of them. They were very special to use. However that love and all those memories will forever remain in our hearts.*

*All our Love,  
Allen & Jill Bartell
