“ Lots of good memories of Frenchy growing up. Spending time in the remodeled basement on 3rd st., customized by Frenchy and all the good times that came with it. Laying concrete in his back yard or just chilling on the front porch. He always had a word to the wise. He was usually right.
Loved to hear him and his band. They really JAMMED!
I regret not keeping in closer contact with him. He will be missed dearly.

“ *Lench was simply put one of the greatest humans ever. He always had a smile on his face and love in his heart. We hope he's enjoying unlimited Coronas up in Heaven.*

Some of our favorite memories are just sitting on the deck quietly with him outside sipping on a cold one.

We will love you always Lench!!
