Passed away peacefully with his family by his side on January 6, 2024 at the age of 62 years. The beloved husband of Teri (nee Witz). Loving father of Jason, Eric and Amanda Michalowski. Brother of Barb, Jean, Steve, and Mark. Brother-in-law to Karen. Proud grandpa to Coal the black lab. Also survived by his niece Tanya, nephew Adam, and other relatives and friends.

“ *Frank-You were an angel that touched our lives for just a brief moment. You loved my sister and the family the two of you built together. You loved my children and made such an impact on their lives. They looked forward to seeing you. Adam would always say “Hi Uncle Frankenstein “ and you would always respond “Hey Adamstein”. I will miss our talks and the friendship we shared. Not a single time did you forget to ask me how I was. You were not just my brother-in-law. You were my friend.*

You always loved to sing and play the guitar 🎸 even taught Adam to play also. I also remember how much you loved to watch Star Trek and go bowling 🎳 and go the movies.

You gave your all to everyone and I will miss you and thank God that he shared your loving ways with all you met! Until we meet again my friend!!!

“ I'll always remember belting out singing Elton John and Disney songs out loud in the car, the goofy nicknames he would give me, the sense of security he always gave to me when I was scared. He was more than just an uncle to me, he was a second father to me, a warm hug, a welcoming smile, a ray of bright light. I was so blessed to have him in my life. But 34 years wasn't enough.

I will still carry on the tradition of belting out Elton John and Disney songs, forever hear the crazy jokes and goofy nicknames in my head, as if he's right beside me.

I love you so much and I'll miss you until forever Uncle. This isn't goodbye, so with this, I'll see you later. I love you
