“ The memory that stands out at the moment is riding in the truck from Milwaukee to Tennessee during the summers and singing along the way. Cameron and I liked to request "Sixteen Tons" and "There's a Hole in the Bottom of the Sea". But Dad's favorite song to sing, back then, was "Chantilly Lace". He'd sing and whistle and I'd be in such awe at how good it made me feel. There are no words for how much I miss him. I love you Dad.

“ Brian, I remember when your dad had triple bypass surgery many moons ago. He woke up from his sleep at some point and told you that I was there, like an angel, even though I wasn't. Also recall memories of hanging out at the Pleasant Prairie house with everyone right before your mom retired. Loved your dad. He was talkative and funny. Prayers and sympathy to you and your family.
