“ Nothing but fond memories of Uncle Fred. Like canoeing an inland lake. Often getting lost. Or getting lost on our way there or back. And the camping trips in his VW pop up camper. I thought was one of the coolest things on wheels. Still do. Always an adventure with Uncle Fred.

Worked with Fred on a forestry crew. Was always a happy go lucky individual with many interests and a positive attitude about life. Loved music and his family. Will remember him at Mass. John Merkl
