DS

Im so sorry for your loss Kimberly. Brian was my best friend growing up. We were inseperable. I wish i had not lost touch with him as i would have gotten to know you. If you ever need to talk or someone to lean on for anything....please allow me to be one of those people. This is difficult for many of us. Again, im deeply shocked, and also grieving. I hope you dont close yourself off to family and those who love you.
